****Prerequisite for Big Kids Swim is Diaper Divers.**

If your child has not taken swim lessons with the Iddy Biddy Pool School before and is between 20 and 30 months, they must take the Diaper Divers Class first.

* * Swim Diaper Policy * *

For the safety and health of your child(ren) and our teachers, I have instilled a new Swim Diaper Policy. **All children under the age of 4 years, regardless of potty training ability, will be required to wear an approved non-disposable swim diaper in our water.**

I understand that there are many children under 4 who have the ability to use the restroom properly; however, warm water, nerves or possible illness leaves us susceptible to potty accidents.

My goal is to have a healthy swim environment and to have your class at its scheduled time without having to reschedule at a later, possibly inconvenient time for your family.

Thank you for your help in keeping us the best place to learn to swim.
